RE: Wrigley Community Nurse

WHEREAS, the Community of Wrigley has no resident nurse; the need for the re-establishment of a resident nurse in the community has been identified, requested, and denied by Dehcho Health and Social Services; and

WHEREAS, the remoteness and temporary isolation of the community has created the need for patients to travel for healthcare; and

WHEREAS, the need to travel to receive health care has impeded the well being of residents and is an inefficient use of healthcare dollars as medical travel has to be justified; and

WHEREAS, the need for adequate local health care has been increasing in the community;

THEREFORE BE IT RESOLVED, that Dehcho First Nations provide support for Pehdzeh Ki First Nations request for the re-establishment of a community nurse; and

BE IT FURTHER RESOLVED, that the Dehcho First Nations Regional office provide the necessary support in the realization of this resolution.
