WHEREAS, since it began the Dene Cultural Institute has been collecting information on Dene spirituality from Elders; including legends and educational knowledge respecting Mother Earth; and

WHEREAS, it is important that this Knowledge is shared with the youth in the region; and

WHEREAS, the current education system is centred on Euro-Canadian culture and history and does not incorporate the knowledge gathered by the DCI;

WHEREAS, in order to know where you are going in life you have to know where you came from;

THEREFORE BE IT RESOLVED, the Dehcho Fall Leadership will explore ways in which the knowledge collected by the DCI can be incorporated into the educational system in the Dehcho Region for the best interest of the future leaders of all towns, villages and hamlets.
