WHEREAS the Dehcho Process is continuing towards an Agreement-in-Principle on ownership and jurisdiction over lands and resources; and

WHEREAS the DFN have always opposed loans as a basis for funding treaty negotiations; and

WHEREAS grant funding has been drastically reduced by Canada, leaving the DFN without sufficient resources to participate in treaty negotiations or engage in essential community consultations;

THEREFORE BE IT RESOLVED THAT the DFN negotiators will explore loan funding options and prepare a discussion paper for the 2012 annual assembly outlining the pros and cons of loan funding.
