whether that agreement is embodied in a single instrument or in two or more related instruments and whatever its particular designation.

- 6.11.3 Where Canada informs the Dehcho Government that it considers that a law or other exercise of power of the Dehcho Government causes Canada to be unable to perform an international legal obligation, the Dehcho Government and Canada will discuss remedial measures to enable Canada to perform the international legal obligation. Subject to 6.11.4, the Dehcho Government will remedy the law or other exercise of power to the extent necessary to enable Canada to perform the international legal obligation.
- 6.11.4 Where Canada and the Dehcho Government disagree over whether a law or other exercise of power of the Dehcho Government causes Canada to be unable to perform an international legal obligation, the dispute will be resolved pursuant to chapter DR. If the arbitrator, having taken into account all relevant considerations including any reservations and exceptions available to Canada, determines that the law or other exercise of power of the Dehcho Government does not cause Canada to be unable to perform the international legal obligation, Canada will not take any further action for this reason aimed at changing the Dehcho Law or other exercise of power. If the arbitrator, having taken into account all relevant considerations including any reservations and exceptions available to Canada, determines that the Dehcho Law or other exercise of power causes Canada to be unable to perform the international legal obligation, the Dehcho Government will remedy the law or other exercise of power to enable Canada to perform the international legal obligation.
- 6.11.5 Canada will consult the Dehcho Government in the development of positions taken by Canada before an international tribunal where a law or other exercise of power of the Dehcho Government has given rise to an issue concerning the performance of an international legal obligation of Canada. Canada's positions before the international tribunal will take into account the commitment of the Parties to the integrity of this Agreement.
- 6.11.6 Notwithstanding 6.11.4, if there is a finding of an international tribunal of nonperformance of an international legal obligation of Canada attributable to a law or other exercise of power of the Dehcho Government, the Dehcho Government will, at the request of Canada, remedy the law or action to enable

Canada to perform the international legal obligation consistent with the compliance of Canada.

6.11.7 For greater certainty, reference to Canada's international legal obligations in the Agreement includes those that are in force on or after the Effective Date.

7.3	CONTAMINATED SITES
7.4	BOUNDARIES AND SURVEYS
7.5	REGISTRATION
7.6	ADMINISTRATION OF EXISTING RIGHTS AND INTERESTS
7.7	ROYALTIES AND NON-REFUNDED RENTS

7.1 DEHCHO TITLE

- 7.1.1 The Dehcho Government, on behalf of the Dehcho Dene, will be vested with title, which may be referred to as “Dehcho title”, to the lands the boundaries of which are shown on the map described in part 1 of the appendix to this chapter, totaling approximately X⁴¹ square kilometres, including the mines and minerals that may be found to exist within, upon or under such lands, subject to the interests listed in part 2 of the appendix to this chapter, and to any renewals or replacements of such interests, and to the interests granted under 7.1.2.
- 7.1.2 Before the Effective Date, an individual authorized by the Dehcho First Nations may, on behalf of the Dehcho Government, execute an agreement for the granting of an interest described in part 3 of the appendix to this chapter. All such interests will come into effect on the Effective Date and the agreement will bind the Dehcho Government on whose behalf it was executed.
- 7.1.3 Before the Effective Date, the Parties may amend part 3 of the appendix to this chapter by adding thereto the descriptions of additional interests.
- 7.1.4 During the first year after the Effective Date, the Parties will amend part 2 of the appendix to this chapter to include any interests granted before the Effective Date that are still in effect immediately before that date. Any such amendment will be deemed to have been made immediately before the Effective Date.
- 7.1.5 In the case of a dispute among the Parties as to whether any interest has been granted before the Effective Date or is still in effect immediately before that

⁴¹ The Dehcho’s tabled land quantum offer is 80,000 square kilometres and 5% general interest surface and subsurface ownership of the remaining area excluding the 80,000. The Dehcho’s tabled land quantum excludes the Edéhzhie and Nahanni Park. Canada’s tabled land quantum offer is 39,336 sq km. [Key Issues ¶]

date, one of the Parties may refer the dispute for resolution in accordance with DR. Any interest that an arbitrator determines under DR to have been granted before the Effective Date and to still have been in effect immediately before that date will be deemed to have been included in part 2 of the appendix to this chapter immediately before the Effective Date.⁴²

- 7.1.6 During the first year after the Effective Date, the Parties may amend part 2 of the appendix to this chapter to correct an error in the reference to an interest or to remove an interest that did not exist immediately before the Effective Date. Any such amendment will be deemed to have been made immediately before the Effective Date.
- 7.1.7 Dehcho title is held in the form of fee simple title. The form of title will not be construed as having the effect of extinguishing any rights recognized and affirmed by section 35 of the *Constitution Act, 1982*. Title held by the Dehcho Government to Dehcho Ndehe includes title⁴³ to water in, on or under the lands.
- 7.1.8 Unless otherwise provided on the map described in part 1 of the appendix to this chapter or on a registered plan of survey of the boundaries of Dehcho Ndehe,
- a) Dehcho title will include title to the beds of lakes, rivers and other water bodies wholly contained within the boundaries of Dehcho Ndehe;
 - b) where a boundary of Dehcho Ndehe crosses a lake, river or other water body, Dehcho title will include the portion of the bed of that water body within the boundaries of Dehcho Ndehe; and
 - c) Dehcho title will not include title to the bed of any lake, river or other water body or to any island in a water body where the water body is shown or described as a boundary of Dehcho lands.
- 7.1.9 Fee Simple interests in Dehcho Ndehe may only be conveyed by the Dehcho Government to
- a) A Dehcho Community Government or the Government of the Northwest Territories or Canada; or

⁴² Canada and GNWT considering consequences of different DR processes. To be addressed at LTC.

⁴³ Canada does not intend to include title to water in, on or under the lands. This is consistent with other land claim agreements. [\[Key Issues ¶\]](#)

- b) Canada, the Government of the Northwest Territories or another expropriating authority, in circumstances where that authority could expropriate those lands pursuant to the Dehcho Agreement.

7.1.10 The lands conveyed by the Dehcho Government under 7.1.9(b) cease to be Dehcho Ndehe and any lands the fee simple title to which is received in exchange⁴⁴ become Dehcho Ndehe.

7.1.11 7.1.9 will not be interpreted to prevent the Dehcho Government from granting leases or licences to any person for the use and occupancy of Dehcho Ndehe, or from granting rights to any Person to remove natural resources, including minerals, and to own such resources upon removal.

7.1.12 Dehcho Ndehe lands are not subject to seizure or sale under court order, writ of execution or any other process whether judicial or extra-judicial.

7.1.13 Dehcho Ndehe will not be mortgaged, charged or given as security.

7.1.14 7.1.12 and 7.1.13 do not apply to any leasehold interest in Dehcho Ndehe or to any mortgage, charge or security granted in respect of such a leasehold interest.

7.1.15 No Person may acquire by prescription an estate or interest in Dehcho Ndehe.

7.1.16 Subject to chapter 8 (Access), any access route across Dehcho Ndehe which is established or improved after the Effective Date will, unless the Dehcho Government otherwise agrees, remain Dehcho Ndehe and not be a highway or public road, by operation of law or otherwise.

7.2 SPECIFIED SUBSTANCES

7.2.1 The holder of a mining right listed in part 2 of the appendix to this chapter or that is a renewal or replacement thereof granted by Canada or the Government of the Northwest Territories, has the right to take, use, damage or destroy Specified Substances in those lands, incidentally in the course of exercising that mining right, but will, where practicable, exercise such rights so as to minimize interference with the right of the Dehcho Government to work specified substances.

⁴⁴ Canada is reviewing this clause and qualifying language within settlement area and subsurface rights and also considering developing draft language in the event land within a community boundary is provided in exchange. LTC to review in conjunction with language to be drafted for Expropriation (39.7.8).

7.2.2 No compensation will be paid to the Dehcho Government in respect of any Specified Substances taken, used, damaged or destroyed in accordance with 7.2.1.

7.2.3 Any specified substances taken, used, damaged or destroyed in accordance with 7.2.1 will be the property of the holder of the mining right referred to in 7.2.1, except that the specified substances that are still on the land that is subject to that mining right when the right terminates become the property of the Dehcho Government.

7.3 CONTAMINATED SITES

7.3.1 Where Canada or the Government of the Northwest Territories undertakes any program respecting the clean-up of contaminated sites on Crown lands in the Settlement Area, the program will, at the discretion of the Dehcho Government, apply to such sites on Dehcho Ndehe that are listed in part 4 of the appendix to this chapter as if the lands were Crown lands.

7.3.2 After the Effective Date, the Parties may agree that a site not listed in part 4 of the appendix to this chapter existed on the Effective Date and, upon consent of the Parties, the list in that part of the appendix to this chapter will be considered to have been amended to include that site.

7.3.3 Any dispute as to whether a contaminated site existed on the Effective Date will be referred for arbitration in accordance with the Dispute Resolution chapter by a Party. If a dispute goes to an arbitrator in accordance with chapter DR and if the arbitrator confirms that a site existed on the Effective Date, the list in part 4 of the appendix to this chapter will be considered to have been amended to include that site.

7.3.4 Canada or the Government of the Northwest Territories will be responsible for the costs associated with any clean-up under 7.3.1 on Dehcho Ndehe. This provision will not prevent Canada or the Government of the Northwest Territories from recovering any costs associated with the clean-up from a Person who is liable for these costs.

7.3.5 The Dehcho Government will be solely responsible for the Remediation of Contaminated Sites which become contaminated on Dehcho Ndehe following the Effective Date. This provision will not prevent the Dehcho Government from recovering any costs associated with the clean-up from a Person who is liable for these costs.

7.3.6 No compensation will be payable for damage which may be caused to Dehcho Ndehe as a result of the clean-up of Dehcho Ndehe under 7.3.1.

7.3.7 Canada and the Government of the Northwest Territories will not be liable for any loss or damage to a Dehcho Citizen, to the Dehcho First Nations or to the Dehcho Government from contaminated sites on Dehcho Ndehe whether or not they are known on the Effective Date. This provision does not affect any obligation of government under 7.3.1 and 7.3.4.

7.4 **BOUNDARIES AND SURVEYS**⁴⁵

7.4.1 Canada will survey the boundaries of Dehcho Ndehe in accordance with the instructions of the Surveyor General and the *Canada Lands Survey Act* within the time specified in the Implementation Plan.

7.4.2 Canada will be responsible for the cost of the survey conducted under 7.4.1.

7.4.3 During the survey conducted under 7.4.1,

- a) those portions of seismic lines and other artificial features used as reference points for the boundaries of Dehcho Ndehe will be monumented by Canada sufficiently, as determined by the Surveyor General, to define their location; and
- b) natural features used as reference points for boundaries of Dehcho Ndehe will be photographed by Canada.

7.4.4 Where the map described in part 1 of the appendix to this chapter indicates that a part of a boundary of Dehcho Ndehe is defined by reference to natural features but, during the survey conducted under 7.4.1, it is found that the natural features

- a) are not well defined;
- b) do not exist; or
- c) are not located, in relation to other features used as reference points for the boundaries of Dehcho Ndehe, where the map indicates they would be,

the Surveyor General will have the authority, in consultation with the Parties, to mark that part of the boundary on the ground and show it on the plan of

survey in a location that reflects as closely as possible the intention of the Parties when the map was finalized.

- 7.4.5 The Dehcho Government will be responsible for the cost of surveys associated with the leasing and subdivision of Dehcho Ndehe.
- 7.4.6 Boundaries of Dehcho Ndehe that are defined by reference to natural features will change with the movements of the natural features as long as these movements are gradual and imperceptible from moment to moment.
- 7.4.7 Where there is a dispute respecting the boundary of an interest that is listed in part 2 of the appendix to this chapter or that is a renewal or replacement thereof granted by Canada or the Government of the Northwest Territories between the holder of that interest and the holder of an adjacent interest granted by the Dehcho Government, either holder may refer the dispute to the designated representative of the institution from which it received that interest. Where the representative to whom the dispute was referred and the other designated representative agree, a survey will be conducted in accordance with their agreement. The plan of survey, upon registration, replaces any other description of the boundary. The Minister will, for the purpose of this provision, designate who is the representative of a government institution.⁴⁶
- 7.4.8 Where a survey is conducted under 7.4.7 for an interest created by an instrument that is registered at the Land Titles Office for the Northwest Territories, the plan of the survey may, if it is signed by the representatives who agreed to it being conducted, signifying their acceptance of the plan, be submitted by one of those representatives to the Registrar of Land Titles for the Northwest Territories for registration. Upon submission of the plan in the required form, the Registrar will register it.
- 7.4.9 Where a survey is conducted under 7.4.7, the plan of survey replaces any other description of the boundary of the interests upon registration if the instrument creating the interest is registered, or, in any other case, upon signing by the representatives. The costs of the survey and of the registration of the plan will be borne equally by the institutions that granted the interests, each of which may recover its costs from the holder of the interest it granted.

7.5 REGISTRATION

⁴⁶ Canada and GNWT considering consequences of different DR processes. To be addressed at LTC.

- 7.5.1 Canada will submit to the Registrar of Land Titles for the Northwest Territories, for registration, the plan of survey of the boundaries of Dehcho Ndehe prepared under 7.4.1 as soon as possible after the plan has been signed by representatives of the Parties, signifying their acceptance of it. Upon submission of the plan in the required form, the Registrar will register it.
- 7.5.2 The Dehcho Government has a right to obtain a certificate of title of Dehcho Ndehe after the plan of survey prepared under 7.4.1 has been registered, upon making a request in the form prescribed by legislation.
- 7.5.3 Upon the registration of the plan of survey prepared under 7.4.1, the surveyed boundaries of Dehcho Ndehe replace the description of the boundaries of Dehcho Ndehe shown on the map described in part 1 of the appendix to this chapter, as of the Effective Date.

7.6 ADMINISTRATION OF EXISTING RIGHTS AND INTERESTS⁴⁷

- 7.6.1 Canada or the Government of the Northwest Territories will continue to administer the interests listed in part 2 of the appendix to this chapter and any renewals or replacements thereof granted by Canada or the Government of the Northwest Territories under legislation, as if the lands had not become Dehcho Ndehe. Canada or the Government of the Northwest Territories will have the power to grant renewals and replacements for those interests under that legislation, as if the lands had not become Dehcho Ndehe, except that, in the case of an interest that is not a mining right, this power does not extend to a renewal or replacement that would authorize an activity of a type or in a location not authorized by the interest renewed or replaced. For greater certainty, any dispute resolution process in the Crown lands legislation continues to apply to interests listed in part 2 of the appendix to this chapter and their renewals and replacements.
- 7.6.2 Subject to 7.6.4 and chapter 41.5 Canada or the Government of the Northwest Territories may make discretionary decisions respecting an interest referred to in 7.6.1 on the basis of Canada or the Government of the Northwest Territories's resource management policy, including those respecting royalties, rents and other charges.⁴⁸
- 7.6.3 Canada and the Government of the Northwest Territories will be under no fiduciary obligation to the Dehcho First Nations or to the Dehcho Government in the administration under 7.6.1 or in the decision making under 7.6.2.

⁴⁷ Canada and GNWT are reviewing this section regarding surface interests.

⁴⁸ DFN negotiators seeking instructions. [Key Issues ¶]

- 7.6.4 Canada or the Government of the Northwest Territories will Consult the Dehcho Government before changing legislation under which any interests referred to in 7.6.1 were granted.
- 7.6.5 Canada or the Government of the Northwest Territories will notify the Dehcho Government before making any change in any interests referred to in 7.6.1, including a change to the royalties, rents or other charges that apply to them.
- 7.6.6 Nothing in 7.1.1 or 7.6.1 will prevent the holder of an interest referred to in 7.6.1 and the Dehcho Government from agreeing to the termination of the interest, with or without a replacement arrangement between the holder and the Dehcho Government.

7.7 ROYALTIES AND NON-REFUNDED RENTS

- 7.7.1 Any royalties or non-refunded rents received by Canada or the Government of the Northwest Territories, in respect of the period between the date of the Agreement and the Effective Date, for an interest listed in part 2 of the appendix to this chapter, will be accounted for by that government and an equal amount paid to the Dehcho Government as soon as practicable after the Effective Date.⁴⁹
- 7.7.2 Any royalties or non-refunded rents received by Canada or the Government of the Northwest Territories in respect of the period after the Effective Date for an interest listed in part 2 of the appendix to this chapter or for any replacement thereof will be accounted for by that government and an equal amount paid to the Dehcho Government as soon as practicable after each calendar year quarter.⁵⁰
- 7.7.3 Amounts payable by Canada or the Government of the Northwest Territories under 7.7.1 and 7.7.2 and amounts payable to another Aboriginal people under any similar provision in another land claims agreement in the Mackenzie Valley will not be considered as amounts received by that government for the purpose of the Mineral Royalties chapter.⁵¹

APPENDIX TO CHAPTER 7– Land Selection Criteria

A.1 DEFINITIONS

“Advanced Stage of Exploration” means

A.2 GENERAL

A.2.1 The Parties⁵² agree that the negotiation of lands that will become Dehcho Ndehe will be in accordance with the criteria set out in this Appendix.

Concurrent Land Selection

A.2.2 The land selection processes for Dehcho land selection within Communities, if any, and outside Communities will be undertaken concurrently, unless otherwise agreed. Any community land selection will be distinct from lands transferred to the Community Government.

Negotiations in NWT

A.2.3 Land selection negotiations will take place at locations in the Northwest Territories to be determined by a workplan developed by the Parties prior to the commencement of land selection. Where possible, negotiations will take place in the relevant Community.

Funding

A.2.4 Prior to land selection, the Parties will discuss the level of funding and funding sources required for the DFN to participate in land selection negotiations.

Agreement Area

A.2.5 Subject to any unresolved overlap agreements with other Aboriginal groups, the Parties will agree on a Dehcho Settlement Area prior to land selection.

Information

A.2.6 Prior to the commencement of land selection and after the signing of the Agreement-in-Principle, Canada and the Government of the Northwest Territories will provide the DFN with the following information concerning the Dehcho Settlement Area

⁵² DFN position is that, with the possible exception of Part A.5 (Community Boundaries) land selection negotiations should be bilateral, between Cda and DFN since land ownership and selection are core Treaty issues. We note that the iterim land withdrawal agreement of 2003 was bilateral. We also point out that s. 3.4 of the Framework Agreement signed by the Parties in 2001 directs that negotiations relating to Treaty issues will be bilateral between Cda and the DFN. Canada and the GNWT have a different interpretation of the Framework Agreement and both feel that, given the transfer of adminstrative control through Devolution, the GNWT need to be a Party.

[Key Issues ¶]

- a) current information respecting the location and nature of existing Canada, the Government of the Northwest Territories and third party interests, including oil and gas permits, commercial fishing licences, surface leases, land use permits and other land use authorizations, agreements for sale, applications for lease, rights-of-way, easements, recorded mining rights, timber permits, outfitters and lodge licences, fee simple grants, quarrying permits and leases;
- b) any available maps and information respecting known deposits of oil, gas, sand, gravel and construction materials;
- c) maps or lists of all proposed parks or other protected areas. The identification of new parks or other protected areas may be considered in the course of land selection negotiations. Provisions relating to particular protected areas may be included in this Agreement;
- d) a list of all identified contaminated waste sites and available information relating to them;
- e) known public routes, utility corridors, pipelines, airstrips and trails; and
- f) any available information regarding known
 - i) unauthorized or traditional use cabins; and
 - ii) burial sites.

DFN Land Use Maps

- A.2.7 Prior to land selection, the DFN will table land use maps showing DFN cabins and burial sites for review by Canada and the Government of the Northwest Territories.

A.3 LAND SELECTION – DEHCHO NDEHE

DFN Land Selection Maps

- A.3.1 Initial land selection maps (using 1:250,000 scale National Topographic Series maps) will be prepared by the DFN which may identify up to one and one half times the total land quantum. The maps will show surface and subsurface selections, as well as any existing recognized routes being used on a regular basis, whether year round or intermittently. An estimate of the area of each selection will also be indicated on the maps.
- A.3.2 Land selection for Dehcho Ndehe will be made so as to provide the DFN with land for inclusion in the Dehcho Agreement, while leaving sufficient Crown land:

- a) which is accessible and available to the Communities for public purposes;
- b) for any affected Aboriginal group not a party to the Dehcho Agreement; and
- c) for public purposes, including access for recreation, and Wildlife and Fish harvesting.

Representative Selections⁵³

- A.3.3 Land selections in the Dehcho Settlement Area will be representative of the topography and quality of the lands in the Dehcho Settlement Area.
- A.3.4 Land selections by the DFN will not be restricted or opposed on the basis that the Dehcho First Nations must select a certain portion of Dehcho Ndehe from conservation lands, or that the selection does not fit within a Party's precondition that a certain quantum or percentage of Dehcho Ndehe lands must be either "open" or closed to development.⁵⁴

Special Harvesting Areas

- A.3.5 Where the objectives of the Parties cannot be met through the process of land selection, negotiations at the time of land selection may provide special opportunities for the DFN for the harvesting of Fish and other species of Wildlife in designated areas.

Restrictions on Access

- A.3.6 During land selection, the Parties may determine locations where the public rights of access in 8.1.3 and the commercial rights of access in 8.7.1b) and c) are restricted.

Dehcho Citizen Interests

- A.3.7 The DFN may, with the consent of a Dehcho Citizen who has a legal interest in a building or other structure affixed to the land, propose for selection Crown or Commissioner's lands underlying such interests. The DFN will provide Canada and the Government of the Northwest Territories the written consent of the Dehcho Citizen. Such consent is not required if the interest of that Dehcho Citizen is limited to that of a tenant or occupant of the building or structure.

Selection of Undeveloped Land Administered by Canada

⁵³ The GNWT will review.

⁵⁴ GNWT to review and provide comments.

- A.3.8 Land that is administered by, or reserved in the name of any department or agency of Canada, and that is not required for public purposes, may be selected.

A.4 SPECIFIC SITES – WITHIN THE DEHCHO SETTLEMENT AREA

- A.4.1 The Parties may negotiate the selection of specific sites within the Dehcho Settlement Area, which will not exceed one hectare in area which will form part of the quantum, unless otherwise agreed, and will not include the subsurface.
- A.4.2 Unless otherwise agreed, and to the extent practical, specific sites will be regular in shape and avoid disproportionately large frontages along water bodies.
- A.4.3 Specific Sites are to be areas of traditional and current use by the DFN such as Camps for Harvesting or other traditional uses.
- A.4.4 The DFN may, with the consent of a Dehcho Citizen normally occupying or using a specific site, propose that site for selection. The DFN will provide Canada and the Government of the Northwest Territories the written consent of the Dehcho Citizen.

A.5 COMMUNITY BOUNDARY

- A.5.1 Prior to land selection, the Government of the Northwest Territories will confirm the boundary of each Community in the Dehcho Settlement Area.
- A.5.2 In the circumstances where there is an existing Community boundary, the Government of the Northwest Territories will:
- a) confer with the municipal government on its needs in relation to the community boundary for the foreseeable future; and
 - b) Consult the Dehcho First Nation on the Community boundaries and accommodate, where appropriate,
- prior to confirming community boundaries in A.5.1.
- A.5.3 In the circumstance where there is not an existing Community boundary, the Government of the Northwest Territories will:
- a) confer with that Community to ascertain its needs in relation to the provision of local services for the foreseeable future; and

- b) Consult the Dehcho First Nation on a Community boundary and accommodate, where appropriate,

prior to confirming community boundaries in A.5.1.

A.6 RESTRICTIONS

- A.6.1 Land subject to a fee simple interest or an agreement for sale may not be selected, unless otherwise agreed.
- A.6.2 Crown or Commissioner's Land subject to a lease is not available for selection unless the lessee's interest is treated in a manner satisfactory to the DFN and Canada or the Government of the Northwest Territories, as appropriate. The lessee will be given written notice by Canada or the Government of the Northwest Territories, as appropriate, if such land is being considered for selection.
- A.6.3 Lands will not be selected within 30.48 metres of the boundary of the Dehcho Settlement Area, unless otherwise agreed.
- A.6.4 Contaminated sites that have been identified prior to selection will not be available for selection unless otherwise agreed.
- A.6.5 Producing and non producing mines and minerals properties at an Advanced Stage of Exploration will not be identified as Dehcho Ndehe.
- A.6.6 Canada and the Government of the Northwest Territories acknowledge that the Dehcho First Nations are committed to having overlap discussions with Aboriginal groups that have overlapping interests regarding land selection in the Dehcho Settlement Area.
- A.6.7 In the course of land selection, Canada and the Government of the Northwest Territories will consult other Aboriginal groups who have established rights protected by section 35 of the *Constitution Act, 1982*, or who assert that they have rights protected by section 35, which may be adversely affected by the land selection and that as a result, Canada and the Government of the Northwest Territories may, with the view to achieving reconciliation, propose changes to the identification of land to be Dehcho Ndehe.

A.7 COMPLETION

- A.7.1 The land selection maps will, if required, be transposed on to alternative scale maps.
- A.7.2 The transposing of the maps will be the responsibility of Canada or the Government of the Northwest Territories, unless otherwise agreed.
- A.7.3 Land selection will be completed by the initialling by all Parties of all maps, legal descriptions or sketch plans setting out land that may become Dehcho Ndehe outside a Community.
- A.7.4 Consultation with other Aboriginal groups would start prior to the initialling of the maps.

A.8 LAND WITHDRAWAL

- A.8.1 Land withdrawal pursuant to the *Territorial Lands Act* or the *Commissioner's Land Act* will occur as soon as reasonably possible following agreement between Canada, the Government of the Northwest Territories and the DFN respecting land selection. The initialed maps will form the basis for an Order-in-Council to withdraw the final land selection identifications.
- A.8.2 Upon withdrawal of lands following completion of land selection, both Parties concerned will have 60 days to conduct a period of public review and Consultation concerning the initialed maps.
- A.8.3 Where urgent circumstances require, the Parties may agree to the withdrawal of certain land selections notwithstanding that all land selections have not been completed.
- A.8.4 Upon completion of the review period specified in A.8.2, the initialed maps will be confirmed or amended, and the land withdrawal amended by Order-in-Council.
- A.8.5 The withdrawal of lands will be subject to existing rights, titles or interests, including licenses, permits, authorizations, reservations, reservations by notation and any associated benefits and privileges, including renewals, replacements, extensions in time and transfers as might have been granted or permitted had the land not been withdrawn, provided that:
 - a) there will be no significant changes in the terms and conditions of such renewals, replacements, extensions or transfers; and

- b) the interest holder will be given notice of the withdrawal and advised by Canada or the Government of the Northwest Territories, as appropriate, that the lands have been selected.

A.8.6 A.8.5 will not be construed to affect any discretion of Canada or the Government of the Northwest Territories to grant or refuse the renewal, replacement, extension of term or transfer of any interest in land or license, permit or authorization.

A.8.7 Permits may be issued under the *Territorial Quarrying Regulations* or the *Commissioner's Lands Regulations* in respect of sources of construction materials in the following circumstances:

- a) for quarrying sites which were in use or identified prior to the date of the withdrawal order; or
- b) where, after Consultation with the DFN, the territorial land agent or other designated individual determines there is no alternative source of supply reasonably available in the surrounding area and the materials are required for essential public construction purposes.

A.8.8 No new timber permits or licenses, other than renewals or replacements of existing timber permits or licenses issued pursuant to the *Forest Management Act*, will be issued in respect of the withdrawn lands except:

- a) with the consent of the DFN; or,
- b) in cases of overriding public interest as determined by the Minister and after Consultation with the DFN.

A.8.9 For greater certainty, the provisions of this section will not affect access to or across withdrawn lands for the period of the withdrawal.

A.9 STATUS OF THIS APPENDIX

A.9.1 While this Appendix will form part of the Agreement-in-Principle it will not form part of the Dehcho Agreement.

25.7.4 For greater certainty, nothing in 25.7.3 provides the Government of the Northwest Territories a role in the appointment of Dehcho adjudicators.

25.7.5 The Dehcho will obtain the Government of the Northwest Territories' approval of the structure and procedures of the Dehcho Court prior to enacting a Dehcho Law pursuant to 25.7.1.

25.7.6 Notwithstanding 25.7.1.a) where a Dehcho Law provides a term of imprisonment as a sanction for the violation of that Dehcho Law, an individual accused of violating that Dehcho Law can choose to be tried in the NWT court system rather than the Dehcho Court for the alleged offence.

¹⁰⁰ Canada has concerns about the affordability of the court and capacity and critical mass to effectively operate such a court. GNWT to propose punt language.

- 25.7.7 The Supreme Court of the Northwest Territories or the Territorial Court, as appropriate, will have exclusive jurisdiction to hear appeals of decisions from the Dehcho Court.

25.8 TERRITORIAL COURT

25.9 SUPREME COURT OF THE NORTHWEST TERRITORIES

- 25.9.1 The Supreme Court of the Northwest Territories will hear appeals of decisions of the Territorial Court or Justices of the Peace in relation to Dehcho Law.
- 25.9.2 Where no Dehcho Court has been established pursuant to 25.7.1, the Supreme Court of the Northwest Territories will hear and determine:
- a) civil matters arising under Dehcho Law; and
 - b) challenges to Dehcho Law,
- if the matter would have been within the jurisdiction of the Supreme Court of the Northwest Territories under Federal Law or Territorial Law.
- 25.9.3 In addition to any other remedy available to it, the Dehcho Government may enforce a Dehcho Law by applying to the Supreme Court of the Northwest Territories for an injunction in accordance with the Rules of the Supreme Court.

25.10 PROCEDURES

- 25.10.1 Dehcho Law will adopt:

- a) the summary conviction procedures of Part XXVII of the Criminal Code; or

- b) Territorial Law relating to proceedings in respect of offences that are established by Territorial Law, with such modifications as may be required.

25.10.2 Any proceeding under 25.8 will follow the procedures of the Territorial Court.

25.10.3 Any proceeding under 25.9 will follow the Rules of the Supreme Court of the Northwest Territories.

25.11 DEHCHO CORRECTION SERVICES

25.11.1 The Dehcho Government has Jurisdiction in the Settlement Area for the establishment, maintenance, organization, administration and regulation of Correction Services for individuals convicted of offences under Dehcho Law.

25.11.2 The provision of Correction Services pursuant to a Dehcho Law pursuant to 25.10.1 will comply with generally accepted Canadian Correction Service standards.

25.11.3 For greater certainty, where an individual has been convicted of the violation of a Dehcho Law in Territorial Court or Supreme Court of the Northwest Territories, and the Dehcho Government has enacted Dehcho Laws pursuant to 25.12.1 that provides Correction Services to administer sanctions involving a term of imprisonment, Dehcho Correction Services will be used to administer the sanction.

25.12 ENFORCING SANCTIONS

25.12.1 The Dehcho Government is responsible for enforcing sanctions pursuant to 25.2.5.

25.12.2 Where no Dehcho Court has been established pursuant to 25.7.1, the Government of the Northwest Territories is responsible for collecting fines imposed for a violation of Dehcho Law.

25.12.3 Unless the Parties otherwise agree, the Government of the Northwest Territories will pay to the Dehcho Government [or a Dehcho Community Government] any fines collected, in respect of a penalty imposed on a Person by the Territorial Court or the Supreme Court of the Northwest Territories, as the case may be, for an offence under a violation of a Dehcho Law [or a Dehcho Community Law] on a similar basis as the Government of the Northwest Territories makes payments to Canada for fines that may be

collected by the Government of the Northwest Territories for an offence under a Federal Law.

25.12.4 If a Dehcho Court is established pursuant to 25.7.1, the Dehcho Court is responsible for collecting fines imposed for a violation of Dehcho Law.

25.12.5 Where no Dehcho Correction Services has been established pursuant to 25.10.1, the Government of the Northwest Territories will enforce probation and imprisonment sanctions for a violation of Dehcho Law, in accordance with Territorial Law or Federal Law.

- b) may establish the appropriate appeal and rehearing procedures and mechanisms.

25.13.2 The Supreme Court of the Northwest Territories will have exclusive jurisdiction to hear applications for judicial review of the decisions of the Dehcho Government, a Dehcho Community Government or Institutions of the Dehcho Government, except in relation to tax matters where the Parties otherwise agree in a tax agreement concluded pursuant to 26.3 of the Taxation chapter.

CHAPTER 26: TAXATION

26.1	DEFINITIONS
26.2	DIRECT TAXATION POWERS
26.3	TAXATION POWER AGREEMENTS
26.4	DEHCHO NDEHE AND DEHCHO COMMUNITY LANDS
26.5	TRANSFER OF DEHCHO CAPITAL
26.6	INDIAN ACT TAX EXEMPTION AND TRANSITIONAL EXEMPTION
26.7	TAX TREATMENT AGREEMENT
26.8	AGREEMENTS UNDER THIS CHAPTER

26.1 DEFINITIONS

In this Chapter:

“Capital Transfer” means an amount paid by Canada to the Dehcho Government under the Financial Payments chapter;

“Dehcho Capital” means all land, cash and other assets and liabilities transferred to or recognized as owned by the Dehcho Government or a Dehcho Community Government under the Dehcho Agreement;

“Direct” has the same meaning, for purposes of distinguishing between a direct tax and an indirect tax, as in class 2 of section 92 of the *Constitution Act, 1867*; and

“Person” includes an individual, a partnership, a corporation, a trust, a joint venture, an unincorporated association, a government or an agency or subdivision of a government, and their respective heirs, executors, administrators and other legal representatives.

26.2 DIRECT TAXATION POWERS

26.2.1 The Dehcho Government may make laws in relation to:

- a) Direct taxation of Dehcho Citizens¹⁰¹, within Dehcho Ndehe and Dehcho Communities¹⁰², in order to raise revenue for Dehcho Government purposes; and

¹⁰¹ Dehcho would like the Dehcho Government’s direct tax power to apply to all residents, not only to Dehcho citizens. Canada’s approach is to provide a Dehcho Government direct tax power in respect of Dehcho Citizens within Dehcho Ndehe and Dehcho Communities in the final agreement and provide that the parties may negotiate agreements in respect of Dehcho Government direct tax powers over persons other than Dehcho Citizens within Dehcho Ndehe and Dehcho Communities outside the final agreement.

¹⁰² The parties would like to discuss this further once the Parties have more information on the nature of Dehcho Communities and Dehcho Ndehe.

- b) the implementation of any taxation agreement entered into between it and Canada or the Government of the Northwest Territories, or both.
- c) The Dehcho Government law-making authority under 26.2.1 will not limit the taxation powers of Canada or the Government of the Northwest Territories.

26.2.2 Any Dehcho Law made under this chapter or any exercise of power by the Dehcho Government is subject to and will conform with Canada's International Legal Obligations in respect of taxation.

26.3 TAXATION POWER AGREEMENTS

26.3.1 From time to time, at the request of the Dehcho Government, Canada and Government of the Northwest Territories, together or separately, may negotiate and attempt to reach agreement¹⁰³ with the Dehcho Government respecting:

- a) the extent to which the Direct taxation law-making authority of the Dehcho Government under 26.2.1 (a) may be extended to apply to Persons other than Dehcho Citizens, within Dehcho Ndehe or Dehcho Communities; and
- b) the manner in which the Dehcho Government law-making authority under 26.2.1 (a), as extended by the application of 26.3.1 (a), will be coordinated with existing federal or territorial tax systems, including:
 - i) the amount of tax room that Canada or Northwest Territories may be prepared to vacate in favour of taxes imposed by the Dehcho Government¹⁰⁴, and
 - ii) the terms and conditions under which Canada or Northwest Territories may administer, on behalf of the Dehcho Government, taxes imposed by the Dehcho Government.¹⁰⁵

26.3.2 Canada and the Dehcho First Nations shall enter into negotiations in respect of an agreement referred to in 26.3.1 prior to completion of the Dehcho Agreement.¹⁰⁶

¹⁰³ Dehcho would like the final agreement to set out a process for the coordination of tax powers. The parties to discuss alternative mechanisms to achieve Dehcho's interest..

¹⁰⁴ Dehcho proposal: if Canada or GNWT provides notification to terminate an agreement reached under 26.3.1, that there is a mechanism to revisit the financing available to Dehcho Government under the Fiscal Relations Chapter and any related funding agreement reached thereunder

¹⁰⁵ Dehcho proposes further discussion with GNWT on tax sharing. Dehcho would like to see what would go into a tax sharing agreement with the GNWT.

¹⁰⁶ Dehcho Proposal, under review by Canada.

- 26.3.3 Notwithstanding Chapter 25, an agreement under 26.3.1 may provide for an alternative approach to the appeal, adjudication or enforcement of matters related to a Dehcho Law in respect of taxation.

26.4 DEHCHO NDEHE AND DEHCHO COMMUNITY LANDS

- 26.4.1 The Dehcho Government is not subject to taxation of Dehcho Ndehe, or interests in land within a Dehcho Community , on which there is no improvement or on which there is an improvement all or substantially all of which is used for a public purpose and not for a profitable purpose.¹⁰⁷
- 26.4.2 A Dehcho Community Government is not subject to taxation of its Dehcho Community Lands or interests in its Dehcho Community Lands on which there is no improvement or on which there is an improvement all or substantially all of which is used for a public purpose and not for a profitable purpose.
- 26.4.3 For greater certainty, the exemption from taxation in 26.4.1 and 26.4.2 does not apply to a taxpayer other than the Dehcho Government or a Dehcho Community Government.
- 26.4.4 For greater certainty, the exemption from taxation in 26.4.1 and 26.4.2 does not apply to a disposition of Dehcho Ndehe or Dehcho Community Lands, or interests in those lands, by the Dehcho Government or a Dehcho Community Government.
- 26.4.5 For federal and territorial tax purposes, proceeds of disposition received by the Dehcho Government or a Dehcho Community Government on expropriation of Dehcho Ndehe or Dehcho Community Lands in accordance with Chapter 39 will not be taxable.

26.5 TRANSFER OF DEHCHO CAPITAL

- 26.5.1 A transfer under this Agreement of Dehcho Capital or recognition of ownership of Dehcho Capital under this Agreement is not taxable.
- 26.5.2 For federal and territorial income tax purposes, Dehcho Capital is deemed to have been acquired by the Dehcho Government or a Dehcho Community

¹⁰⁷ Changes proposed by the GNWT. Can DG or DCG acquire fee simple lands (not Dehcho Community Lands) within a Dehcho Community post effective date and then those new acquisitions are afforded the protection of 26.4.1 and 26.4.2 as applicable?

Government, as the case may be, at a cost equal to its fair market value on the latest of:

- a) the Effective Date; and
- b) the date of transfer of ownership or the date of recognition of ownership, as the case may be.

26.6 INDIAN ACT TAX EXEMPTION AND TRANSITIONAL EXEMPTION

- 26.6.1 The Dehcho Agreement will provide that section 87 of the Indian Act will not apply to the Dehcho Nation, Dehcho Dene or any Dehcho Ndehe as of the Effective Date.
- 26.6.2 The Dehcho Agreement may provide for transitional tax measures to address the fact that section 87 of the Indian Act will no longer apply as of the Effective Date.

26.7 TAX TREATMENT AGREEMENT

- 26.7.1 Prior to the Dehcho Agreement, the Parties will enter into a tax treatment agreement, which will come into effect on the Effective Date. The tax treatment agreement will address the following subject matters:
 - a) the income tax treatment of the Dehcho Government and its entities;
 - b) the income tax treatment of the Dehcho Community Governments and their entities;
 - c) the consumption tax treatment of the Dehcho Government and its entities;
 - d) the consumption tax treatment of the Dehcho Community Governments and their entities;
 - e) the tax treatment of the transfer of Dehcho Capital between the Dehcho Government and its entities;
 - f) the tax treatment of a Dehcho settlement trust, if necessary;
 - g) donations, including artifacts , made to the Dehcho Government or a Dehcho Community Government;
 - h) the term of the agreement and the process for renegotiation of a future tax treatment agreement; and
 - i) any other matters agreed to by the Parties. ¹⁰⁸

26.8 AGREEMENT UNDER THIS CHAPTER

¹⁰⁸ Dehcho would like a provision stating that if the TTA is terminated, the parties will make best efforts to negotiate a new one.

- 26.8.1 Any taxation power agreement or tax treatment agreement negotiated in accordance with this chapter would not be part of the Dehcho Agreement, nor be a treaty or land claims agreement within the meaning of sections 25 and 35 of the Constitution Act, 1982.

CHAPTER 27: WILDLIFE HARVESTING

27.1	GENERAL
27.2	GIFTING AND TRADING
27.3	ACCESS
27.4	CONSULTATION
27.5	WILDLIFE MANAGEMENT
27.6	EMERGENCIES

27.1 GENERAL

27.1.1 [The Dehcho First Nations have the right to Harvest all species of Wildlife, excluding Furbearers which is addressed in 27.1.2, throughout the Dehcho Settlement Area at all times of the year, for Domestic Purposes in accordance with the Dehcho Agreement.]¹¹⁰

27.1.2 The Dehcho First Nations have the exclusive right to harvest Furbearers in Dehcho Ndehe and Dehcho Community Lands at all times of the year. This right does not preclude others from harvesting Furbearers in Dehcho Ndehe or Dehcho Community Lands with the consent of the Dehcho Government.¹¹¹

27.1.3 Within Dehcho Ndehe the Dehcho Government retains the authority to manage and conserve Wildlife and will exercise that authority in a manner that is consistent with the Dehcho Agreement. On Dehcho Community Lands, local Dehcho Community Governments retain these authorities.¹¹²

27.1.4 Subject to 27.1.5 and 27.1.6, the right recognized [described?] in 27.1.1 may be limited or restricted¹¹³:

- a) by provisions of the Dehcho Agreement; or
- b) in Legislation, for purposes necessary for conservation, public health and public safety.

[Or, 27.1.4 The right provided for in 27.1.1 may be limited or restricted: a) by provisions of the Dehcho Agreement; or b) for purposes necessary for: i) conservation; ii) public health; or iii) public safety.]¹¹⁴

¹¹⁰ Wording to be confirmed by GNWT.

¹¹¹ GNWT will provide new wording on Furbearers

¹¹² Under review in context of the role for DCRMA and the agreements reached on jurisdiction.

¹¹³ DFN: The Dehcho Government will have exclusive jurisdiction to limit or restrict harvesting in Dehcho Ndehe and on Dehcho community lands. This entire clause (W.1.4) may be moved to after W.1.6 for clarity in interpretation.

¹¹⁴ GNWT proposal as an alternative to 27.1.4

27.1.5 Outside of Dehcho Ndehe, and subject to the terms of the Dehcho Agreement, the Minister will have the authority to manage and conserve Wildlife. This authority is subject to the concurrent jurisdiction of the Dehcho Government to manage Wildlife and Wildlife habitat in the Dehcho Settlement Area, as set out in the Dehcho Agreement.¹¹⁵

[Or, 27.1.5 The Minister has the authority to manage and conserve Wildlife and Wildlife habitat in the Dehcho Settlement Area and will exercise that authority in a manner that is consistent with the Dehcho Agreement]¹¹⁶

27.1.6 In the event of an emergency, the Dehcho Government or the Government of the Northwest Territories, as applicable, may impose an interim limitation or restriction pursuant to 27.1.3 and 27.1.5 upon notice to the other government. As soon as possible thereafter the government which imposed the emergency restriction will provide reasons for the decision and will Consult the other government regarding any ongoing terms and conditions.

[Or, 27.1.6 In the event of an emergency, Canada or the Government of the Northwest Territories may impose an interim limitation or restriction under 27.1.4 (b). As soon as possible thereafter, Canada or the Government of the Northwest Territories will notify the Dehcho Government and provide reasons for the decision. Canada or the Government of the Northwest will Consult the Dehcho Government with respect to any ongoing terms and conditions which may result from the event.]¹¹⁷

27.1.7 Nothing in the Dehcho Agreement¹¹⁸ will be construed to:

- a) confer rights of ownership in Wildlife;
- b) guarantee the supply of Wildlife; or
- c) recognize a right to commercial harvest of Wildlife.

27.1.8 A Dehcho Citizen will not be subject to any fee or requirement for license for the harvesting of Wildlife pursuant to 27.1.1.

¹¹⁵ GNWT: W.1.5, W.1.6, W.2.4, and W.4.3, are related in these ways: 1) they relate to management harvesting issues whereas the focus of the chapter is on the harvesting of wildlife for subsistence purposes. DFN response: they relate to jurisdiction, not management, of wildlife harvesting. Management is to be developed. 2) GNWT: these do not reflect the GNWT position that the Minister has jurisdiction over wildlife on a regional basis because of the nature of the resource. That jurisdiction is informed by a regional resource management board comprised of all stakeholders on the Dehcho region. DFN response: the DCRMA will manage and administer wildlife management.

¹¹⁶ GNWT proposal as an alternative to 27.1.5

¹¹⁷ GNWT proposal as an alternative to 27.1.6

¹¹⁸ DFN suggest: "Nothing in this *chapter* will...", because DFN wish to have a chapter on commercial harvesting. DFN will consult with leadership.

- 27.1.9 Subject to legislation respecting humane trapping, a Dehcho Citizen has the right to use any method, and to possess and use any equipment, for the purpose of Wildlife harvesting.
- 27.1.10 Dehcho Citizens have the right to possess and transport anywhere in Canada the Edible and non-Edible Parts of Wildlife harvested pursuant to 27.1.1, subject to any requirements related to the possession of or the identification of Wildlife set out in federal, territorial or provincial legislation. When exercising this right, the Dehcho Citizens will not be required to obtain a licence nor be subject to any fee from Canada or the Government of the Northwest Territories.

27.3.3 This right of access does not apply:

- a) on Indian reserve lands;
- b) on lands held in fee simple or lands subject to a surface lease:
 - i) within Community Boundaries;
 - ii) outside Community Boundaries where the land is less than ten (10) hectares in area and is fenced or otherwise identified;

- c) where lands are dedicated to military or national security purposes pursuant to legislation, or to areas temporarily being used for military exercises for the period of such temporary use, after notice of such dedication or use has been provided to the Dehcho Government.

27.3.4 Where a Dehcho Citizen has the right to access lands held in fee simple or lands subject to a surface lease for the purpose of Wildlife harvesting under the Dehcho Agreement they will not:

¹²¹ For reasons outlined above, Canada and GNWT do not agree with 27.2.4, and prefer that management issues be addressed in a separate chapter.

- 27.3.5 A Dehcho Citizen or the Dehcho Government may enter into an agreement with an owner, lessee or Canada or the Government of the Northwest Territories, as the case may be, regarding the right to access lands described in 27.3.3 for the purpose of Wildlife harvesting under 27.1.1.

27.4 CONSULTATION

- 27.4.1 Canada or the Government of the Northwest Territories will Consult the Dehcho Government prior to introducing new Legislation, or amending existing Legislation, that could adversely affect the exercise of the right to harvest Wildlife set out in the Dehcho Agreement.

- 27.4.3 Pursuant to 27.1.3, Canada or the Government of the Northwest Territories will Consult the Dehcho Government prior to:

- a) amending the terms of an existing commercial authorization to harvest Wildlife;
- b) subject to 27.4.4, issuing a new commercial authorization to harvest Wildlife; or
- c) permitting any commercial activity for the husbandry of a species of Wildlife

that could adversely affect the exercise of the right to harvest Wildlife as set out in the Dehcho Agreement.

- 27.4.4 No new commercial activity for the harvesting of Wildlife in the Dehcho Settlement Area will be authorized by Canada or the Government of the Northwest Territories without the consent of the Dehcho Government.¹²³

27.5 WILDLIFE MANAGEMENT

- 27.5.1 Prior to Dehcho Agreement, the Parties will address Wildlife management within the Dehcho Settlement Area.¹²⁴

¹²² DFN proposal. GNWt reviewing.

¹²³ Under review in context of the role for DCRMA and the agreements reached on jurisdiction.

¹²⁴ GNWT proposed wording: W.7.1 Prior to concluding the Dehcho Agreement, the Parties will address:

- (a) the manner in which Wildlife will be managed; and

With the agreement of all Parties, overlap agreement or shared use provisions pertaining to Wildlife harvesting may be incorporated into the Dehcho Agreement.¹²⁵

27.7 EMERGENCIES

27.7.1 Nothing in the Dehcho Agreement will prevent any individual from killing Wildlife in the Dehcho Settlement Area for survival in an emergency or to defend or protect individuals or property.

¹²⁵ The Parties are considering the operation of this clause and any changes that may be necessary to ensure a common understanding. Also considering wording from Tlicho: "2.7.3 Notwithstanding any other provision in the Agreement, the Tlicho Government may, pursuant to an agreement with another Aboriginal people, agree to share with that Aboriginal people rights held by Tlicho Citizens, the Tlicho First Nation or the Tlicho Government under this Agreement, provided that no such sharing agreement shall affect the rights held by persons or peoples who are not party to that sharing agreement."

33.1 GENERAL

- 33.1.1 Subject to other provisions in the Dehcho Agreement, the Dehcho First Nations, the Dehcho Government and Dehcho Citizens have the exclusive right to use Water and deposit Waste in waters on or that flow through Dehcho Ndehe when such waters are on or flowing through Dehcho Ndehe.
- 33.1.2 Subject to any use of Water, deposit of Waste or activity authorized by Federal Law or Territorial Law, including by an authorization issued by the MVLWB or by another competent authority, the Dehcho First Nations, the Dehcho Government and Dehcho Citizens have the right to waters that are substantially unaltered in quality, quantity and rate of flow when such waters are on, adjacent to, or flow through Dehcho Ndehe.
- 33.1.3 Subject to any negotiated overlap agreements, the Dehcho First Nations, the Dehcho Government and Dehcho Citizens will have the right to use Water within the Dehcho Settlement Area on lands owned by other Aboriginal people for Harvesting for Domestic Purposes, and heritage or cultural purposes, without licence, permit or other authorization.
- 33.1.4 The use of Water and the deposit of Waste in the Dehcho Settlement Area including the rights set out in 33.1 are subject to Legislation¹⁴⁷.
- 33.1.5 Dehcho Water rights set out in 33.1 will not interfere with:
- a) rights of navigation and passage on Water;
 - b) the use of Water by an individual for Domestic Uses or emergency purposes;
 - c) community use of Water for community purposes; or
 - d) any right of access set out in the Dehcho Agreement,

¹⁴⁷ DFN: this clause is unnecessary and objectionable in light of other restrictions in this chapter. [Key Issues ¶]

nor will the consent of the Dehcho Government be required with respect to these activities.

33.1.6 The Dehcho First Nations, the Dehcho Government and Dehcho Citizens will not use Water or deposit Waste so as to substantially alter the quality, quantity or rate of flow of waters which are on or flow through or are adjacent to Dehcho Ndehe, unless authorized by the MVLWB.¹⁴⁸

33.1.7 ¹⁴⁹Nothing in the Dehcho Agreement will be construed as granting the Dehcho First Nations, Dehcho Government, a Dehcho Citizen or any other Person property rights in respect of Water.

33.2 EXISTING INTERESTS

33.2.1 Notwithstanding 33.1.1, existing interests on Dehcho Ndehe authorized to use Water or deposit Waste in Water will:

- a) be identified in Appendix X of the Dehcho Agreement; and
- b) continue in accordance with applicable Legislation and the terms and conditions of the authorization.

33.3 GOVERNMENT AND OTHER USERS

33.3.1 Notwithstanding both the ownership of Beds of certain Water bodies by the Dehcho Government on Dehcho Ndehe and the Dehcho Water rights set out in 33.1, Canada and the Government of the Northwest Territories retains the right to protect, manage and use Water and Beds of such Water bodies, for public purposes which include¹⁵⁰:

- a) use Water for fighting fires;
- b) the protection of Wildlife and Fish and their habitat;
- c) the protection of Water supplies including community Water supplies from contamination and degradation;
- d) research with respect to Water quality and Water quantity; and
- e) flood control and protection of navigation and transportation.

¹⁴⁸ DFN propose to change 33.1.6 to: 'No person will use Water or deposit Waste so as to substantially alter the quality, quantity or rate of flow of waters which are on or flow through or are adjacent to Dehcho Ndehe, unless authorized by the MVLWB and the Dehcho Government'.

¹⁴⁹ DFN suggest co-ownership (Crown / Dehcho Gov't) and/or no private water ownership. [Key Issues ¶]

¹⁵⁰ DFN want some restrictions and Consultations with DG, particularly if an open ended list is to be used. DFN will work on a consultation formula for the Parties to consider. [Key Issues ¶]

33.4 LICENSING

33.4.1 The Mackenzie Valley Land and Water Board (“MVLWB”)¹⁵¹ will not authorize a use of Water or a deposit of Waste that, in its opinion, is likely to substantially alter the quality, quantity or rate of flow of waters flowing on, flowing through or flowing adjacent to Dehcho Ndehe, unless the MVLWB considers that:

- a) there is no alternative that could reasonably meet the requirements of the applicant; and
- b) there are no reasonable measures by which the applicant could avoid the alteration.

33.4.2 Should the MVLWB authorize a use of Water or a deposit of Waste under 33.4.1, it will not do so unless:

- a) the applicant seeking authorization has entered into an agreement with the Dehcho Government to compensate the Dehcho First Nations for loss or damage which may be caused by such alteration; or
- b) the applicant or the Dehcho Government has applied to the MVLWB for a determination.

33.4.3 The MVLWB will not authorize a use of Water or a deposit of Waste anywhere in the Dehcho Settlement Area, excluding Dehcho Ndehe which, in its opinion, will likely substantially alter the quality, quantity or rate of flow of waters flowing on or flowing through or flowing adjacent to the Dehcho Settlement Area, unless:¹⁵²

- a) the applicant seeking authorization has entered into an agreement with the Dehcho Government to compensate the Dehcho First Nations for loss or damage which may be caused by such alteration; or
- b) the applicant or the Dehcho Government has applied to the MVLWB for a determination

33.4.4 Where a use of Water or a deposit of Waste is proposed outside the Dehcho Settlement Area, but within the Northwest Territories, which, in the opinion of the MVLWB, will likely substantially alter the quality, quantity or rate of flow of waters flowing on or flowing through or flowing adjacent to Dehcho Ndehe, the use of Water or the deposit of Waste will not be authorized unless:

¹⁵¹ DFN position is that the MVRMA does not and will not apply in the Dehcho Settlement Area. [Key Issues ¶]

¹⁵² DFN suggests deleting 33.4.3 and have 33.4.1 apply throughout Settlement Area.

- a) the applicant has entered into an agreement with the Dehcho Government to compensate the Dehcho First Nations for loss or damage which may be caused by such alteration; or
 - b) the applicant or the Dehcho Government has applied to the MVLWB for a determination.
- 33.4.5 Canada or the Government of the Northwest Territories will Consult with the Dehcho prior to authorizing a use of Water or deposit of Waste in Water that is likely to substantially alter the quality, quantity or rate of flow of Water on, flowing through or adjacent to Dehcho Ndehe when such Water is on, flowing through or adjacent to Dehcho Ndehe.¹⁵³
- 33.4.6 Canada or the Government of the Northwest Territories, whichever government is responsible, will, through the MVLWB or such other forum the responsible government deems appropriate, Consult with the Dehcho prior to authorizing a use of Water or deposit of Waste in Water that could adversely affect the exercise of a treaty right set out in the Dehcho Agreement.
- 33.4.7 If the Dehcho Government and the applicant seeking authorization for a use of Water or deposit of Waste described in 33.4.2 or 33.4.3 or 33.4.4 do not reach an agreement on compensation within the time limit established by the MVLWB, either party may refer the matter of compensation for resolution by the MVLWB.
- 33.4.8 Compensation determined by the MVLWB in respect of a use of Water or a deposit of Waste described in 33.4.2 or 33.4.3 or 33.4.4 may be in the form of a lump sum or periodic cash payment or non-monetary compensation such as replacement or substitution of damaged or lost property or equipment or relocation or transportation of Dehcho Citizens or equipment to a different harvesting locale or a combination of such forms of compensation.
- 33.4.9 The MVLWB will consider the following factors in determining the amount of compensation payable to the Dehcho Government in respect of a use of Water or deposit of Waste described in 33.4.2 or 33.4.3 or 33.4.4:
 - a) the effect of the use of Water or deposit of Waste on the use by Dehcho Citizens of Water on or adjacent to Dehcho Ndehe;

¹⁵³ DFN: This also is a substantial reduction in Crown's duty to consult. See new s. 33.4.5. Canada provided new wording 33.4.X.

- b) the effect of the use of Water or deposit of Waste on Dehcho Ndehe, taking into account any cultural or special value of the lands to the Dehcho First Nations;
- c) the nuisance, inconvenience and noise caused by the use of Water or deposit of Waste to Dehcho Citizens on Dehcho Ndehe;
- d) the effect of the use of Water or deposit of Waste on the Harvesting of Wildlife, Fish and Migratory Birds by the Dehcho First Nations; and
- e) subject to Legislation, such other factors as the MVLWB may consider relevant.

33.5 LEGAL ACTION AND STANDING

- 33.5.1 The Dehcho Government has a cause of action against any Person in respect of any use of Water, deposit of Waste or other activity not authorized by Federal Law or Territorial Law¹⁵⁴ which substantially alters the quality, quantity or rate of flow of waters which are on, adjacent to or flow through Dehcho Ndehe, with such remedies available to the Dehcho Government as riparian rights holders.
- 33.5.2 For the purposes of 33.1.2 or 33.5.1, the Dehcho Government will have standing at all times in a court of competent jurisdiction to seek a declaration respecting the authority of any Person to alter the quality, quantity or rate of flow of Water.

33.6 INTERJURISDICTIONAL AGREEMENTS

- 33.6.1 Prior to the Dehcho Agreement, the Parties will discuss Consultation issues concerning the management of Water in the context of interjurisdictional agreements affecting the Dehcho Settlement Area.

33.7 CONFLICTING REGULATORY CONDITIONS

- 33.7.1 For greater certainty, any condition on the use of Waters or the deposit of Waste in Waters which are on or flow through Dehcho Ndehe that is imposed under Legislation, including by an authorization issued by the MVLWB, prevails over any conflicting condition imposed by the the Dehcho Government by or under any authority recognized in the Agreement, including Dehcho Laws.¹⁵⁵

¹⁵⁴ DFN: An activity could be authorized by law, yet give rise to a cause of action, eg. negligence. [Key Issues ¶]

¹⁵⁵ DFN say DG laws should be paramount. [Key Issues ¶]

39.1 GENERAL PRINCIPLES

- 39.1.1 The Parties acknowledge the general principle that the size and integrity of Dehcho Ndehe should be maintained and therefore agree that, as a general principle, Dehcho Ndehe will not be expropriated, except in accordance with this chapter.

39.2 OTHER AVAILABLE LANDS

- 39.2.1 Prior to making a decision to expropriate any part of Dehcho Ndehe, the Expropriating Authority will ensure that lands other than Dehcho Ndehe are used, if other lands are available for the purpose for which the Dehcho Ndehe lands are intended to be expropriated.

39.3 ATTEMPT TO NEGOTIATE AN AGREEMENT BEFORE EXPROPRIATION

- 39.3.1 Before proceeding with a proposed expropriation, the Expropriating Authority will attempt to acquire lands for public purposes through negotiated agreements with the Dehcho Government, as set out in 39.3.2.
- 39.3.2 The Expropriating Authority who proposes to acquire an interest in Dehcho Ndehe will:
- a) notify the Dehcho Government regarding the need to acquire an interest in a parcel of Dehcho Ndehe, including the nature, location, size and duration of the interest to be acquired; and

- b) make a reasonable attempt to negotiate an agreement with the Dehcho Government for the transfer of the required interest so as to avoid the need for expropriation.

39.4 EXPROPRIATION

- 39.4.1 The Parties agree, notwithstanding 39.1.1, the Government of Canada and the Government of the Northwest Territories have the power to expropriate interests in Dehcho Ndehe, as set out herein.
- 39.4.2 Dehcho Ndehe may only be expropriated in accordance with Legislation and the provisions of this chapter.
- 39.4.3 When an agreement is not reached under 39.3.2 (b) between the Expropriating Authority and the Dehcho Government, the Expropriating Authority may proceed with expropriating an interest in Dehcho Ndehe.
- 39.4.4 The Expropriating Authority will provide the Dehcho Government with at least thirty (30) days notice of its intention to seek the consent of the Governor-in-Council or the Executive Council, as the case may be, for the expropriation of the interest in Dehcho Ndehe.
- 39.4.5 The Expropriating Authority will exercise that power of expropriation in accordance with applicable Legislation, subject to the Dehcho Agreement and Settlement Legislation and with the consent of the Governor in council or the Executive Council, as the case may be, under the following conditions:
 - a) only the minimum interest required will be taken; and
 - b) the expropriation of an interest in Dehcho Ndehe will occur only as necessary for a public purpose.
- 39.4.6 For greater certainty, where federal legislation deems an expropriation to be for a public purpose, the expropriation of Dehcho Ndehe will be deemed to be for a public purpose under this agreement.
- 39.4.7 Before the Governor in council or the Executive Council, as the case may be, issues an order consenting to the expropriation of an interest in Dehcho Ndehe, the Expropriating Authority will provide to the Dehcho Government, and make available to the public, a report stating the justification for the expropriation and describing the steps taken to satisfy the requirements of 39.4.5.

- 39.4.8 If the Dehcho Government objects to a proposed expropriation of an interest in Dehcho Ndehe, it may, within 60 days after the report has been provided to the Dehcho Government in accordance with 39.4.7, while at the same time providing notice in writing to the Expropriating Authority, refer the matter to a neutral evaluator¹⁶⁶ for a review of the steps taken to satisfy the requirements described in 39.4.5 in accordance with Annex X¹⁶⁷.
- 39.4.9 The Expropriating Authority may not seek Governor-in-Council or Executive Council, as the case may be, consent to the expropriation of an interest in Dehcho Ndehe before the expiration of the period referred to in 39.4.8 or, if Dehcho Government has referred the matter to a neutral evaluator in accordance with 39.4.8, before the neutral evaluator has delivered an opinion on the matter, such opinion to be rendered within 60 days of the referral being made or within such additional time as the Expropriating Authority and the Dehcho Government may agree.
- 39.4.10 For greater certainty, the opinion of the neutral evaluator under 39.4.9:
- a) is without prejudice to the legal positions that may be taken by the Expropriating Authority and the Dehcho Government in court or in any other forum;
 - b) will not be admissible in any legal proceedings, unless otherwise required by law; and
 - c) is not binding on the Governor-in-Council or Executive Council, as the case may be under 39.4.1 – 39.4.6.

39.5 COMPENSATION – FEE SIMPLE LANDS EXPROPRIATED

- 39.5.1 Where a fee simple interest in Dehcho Ndehe is expropriated by an Expropriating Authority, the Expropriating Authority will make reasonable efforts:
- a) to identify exchange land within the Dehcho Settlement Area, being either Crown land, [Commissioner's Land] or land available on a willing-seller willing-buyer basis, of equivalent or greater size and comparable value; and
 - b) if the exchange land is acceptable to the Dehcho Government, to acquire and offer the exchange land to the Dehcho Government as partial or full compensation for the expropriation.

¹⁶⁶ requires additional DR provisions for a neutral evaluator. To be reviewed at LTC.

¹⁶⁷ Requires additional DR provisions for a neutral evaluator. To be reviewed at LTC.

If the Expropriating Authority and the Dehcho Government are unable to agree on the provision of exchange land as compensation, or the Expropriating Authority, after making reasonable efforts, is unable to provide exchange land, the Expropriating Authority will provide the Dehcho Government with other compensation in accordance with 39.6.

39.6 COMPENSATION – NO EXCHANGE LAND AVAILABLE OR LESS THAN FEE SIMPLE INTEREST IS EXPROPRIATED

39.6.1 The total value of compensation for an expropriated interest in Dehcho Ndehe will be determined by taking into account the following factors:

- a) the market value of the expropriated interest at the time expropriation is confirmed;
- b) the replacement value of any improvement to Dehcho Ndehe in which an interest has been expropriated, to the extent it is not covered under a);
- c) any expenses or losses resulting from a disturbance directly attributable to the expropriation;
- d) any reduction in the value of any interest in the Dehcho Ndehe that is not expropriated which results from the expropriation;
- e) any adverse effect on any cultural or other special value of Dehcho Ndehe in which an interest has been expropriated to the applicable Dehcho First Nation, provided that the cultural or other special value is only applied to an interest in Dehcho Ndehe recognized in law and held by the Dehcho Government on behalf of Dehcho Citizens, and provided that there will be no increase in the total value of compensation on account of any Section 35 rights recognized under the Constitution Act, 1982; and
- f) the value of any special economic advantage arising out of or incidental to the occupation or use of Dehcho Ndehe by Dehcho Citizens or the Dehcho Government, to the extent that the value is not otherwise compensated.

39.6.2 If the Dehcho Government and the Expropriating Authority do not reach an agreement on compensation within sixty (60) days from the first offer of compensation, either one of them may refer to dispute resolution in accordance with the Dispute Resolution chapter. An arbitrator may only make an order of compensation in the form of an interest in land where the land is available in accordance with 39.5.1 and is acceptable to the Dehcho Government, cash or a combination thereof. If a fee simple interest in land is

acquired by the Dehcho Government pursuant to this provision, the parcel of land may, with the agreement of the Parties, become Dehcho Ndehe.

- 39.6.3 A dispute on the valuation of exchange lands under 39.6.2 will not delay the expropriation by the Expropriating Authority to expropriate the interest in Dehcho Ndehe.

39.7 EXCHANGE LANDS

- 39.7.1 Land is not available to be provided as exchange land if it is
- a) subject to a lease or an agreement for sale unless the Expropriation Authority and the Person holding that interest consent;
 - b) occupied or used by the Expropriation Authority, a Dehcho Community Government, or required for such future occupation or use;
 - c) part of a public road;
 - d) within 31 metres of a boundary of the Dehcho Settlement Area; or
 - e) for any other reason considered unavailable by an arbitrator under the Dispute Resolution chapter
- 39.7.2 Where requested by the Dehcho Government, the exchange lands acquired by the Dehcho Government in exchange for expropriated Dehcho Ndehe will, whenever possible, be contiguous with Dehcho Ndehe.
- 39.7.3 Where an Expropriation Authority expropriates Dehcho Ndehe and the exchange lands are acceptable to the Dehcho Government, the Expropriation Authority will acquire and offer as partial or full compensation for the expropriation of Dehcho Ndehe exchange lands in the Dehcho Settlement Area.
- 39.7.4 Where an expropriation authority expropriates Dehcho Ndehe, and the only exchange lands available in the Dehcho Settlement Area are in an area of overlap with another First Nation group, such lands may become Dehcho Ndehe if permitted by an overlap agreement between the Dehcho First Nation and the other First Nation group.
- 39.7.5 In situations involving the expropriation of both the surface and subsurface, where the Expropriating Authority offers exchanged lands the subsurface of which is held by Canada or the Government of the Northwest Territories, Canada or the Government of the Northwest Territories, as the case may be, will offer both the surface and the subsurface to the Dehcho Government.

- 39.7.6 The Dehcho Government and Canada or the Government of the Northwest Territories may agree to defer the selection and conveyance of land intended to replace and fully compensate for expropriated land.
- 39.7.7 The Dehcho Government and Canada or the Government of the Northwest Territories may agree to defer:
- a) the selection and conveyance of land intended as partial compensation for expropriated land;
 - b) the determination of any partial amount of compensation to be paid for the expropriated land; or
 - c) the determination of the full amount of compensation to be paid for the expropriated land.
- 39.7.8 The determination of the amount of compensation under 39.7.7b) and 39.7.7 c) will be based on the value of the expropriated land at the time it was expropriated.¹⁶⁸

39.8 STATUS OF LANDS

- 39.8.1 Where an expropriating authority expropriates a fee simple interest in Dehcho Ndehe, those lands will no longer be Dehcho Ndehe.
- 39.8.2 Where an expropriating authority expropriates less than a fee simple interest in Dehcho Ndehe,
- a) those lands will remain Dehcho Ndehe;
 - b) those lands remain subject to Dehcho Laws, except to the extent those laws are inconsistent with the use of the lands for federal or territorial public purposes as determined by the Federal or Territorial Expropriating Authority; and
 - c) the Dehcho Government or any Person authorized by the Dehcho Government may continue to use the lands unless that use is inconsistent with the purpose of expropriation as determined by the Expropriating Authority.

39.9 REACQUIRING EXPROPRIATED LANDS

- 39.9.1 Where lands or an interest in Dehcho Ndehe which have been expropriated are, in the opinion of the expropriating authority, no longer required:

¹⁶⁸ LTC to examine how it is determined whether or not these lands become Dehcho Ndehe.

- a) the Dehcho Government will have first right of refusal to re-acquire the expropriated lands;
- b) the expropriating authority may not dispose of those lands for a price less than the price offered to the Dehcho Government; and
- c) subject to __, the Dehcho Government may offer to return exchanged land for expropriated land, or may offer a combination of exchanged land and a cash component for expropriated land;

39.10 PUBLIC ROADS

- 39.10.1 An Expropriating Authority may expropriate Dehcho Ndehe in accordance with 39.1.1 for use as a public road or public road allowance without compensation to the Dehcho Government.
- 39.10.2 No lands expropriated under 39.8.1 may be used for any purpose other than a public road or public road allowance without the payment of compensation.
- 39.10.3 Any dispute between an Expropriating Authority and the Dehcho Government as to the location of a public road for which Dehcho Ndehe are to be expropriated under 39.8.1 may be referred by a Party for resolution in accordance with the Dispute Resolution chapter.
- 39.10.4 Where any lands expropriated under 39.8.1 or conveyed without compensation to Canada or the Government of the Northwest Territories for a public road are no longer needed for a public road, Canada or the Government will grant back to the Dehcho Government the fee simple interest in those lands and those lands become Dehcho Ndehe.
- 39.10.5 The amount of land expropriated under 39.8.1 or conveyed without compensation to Canada or the Government of the Northwest Territories for a public road and not granted back to the Dehcho Government will not exceed, at any time, 182 square kilometres¹⁶⁹.

39.11 EMERGENCIES

- 39.11.1 Nothing in the Agreement will affect or limit the application to Dehcho Ndehe of the Emergency Management Act (Canada) or any successor legislation.

39.12 CONFLICT

¹⁶⁹ This number may be adjusted if the quantum changes.

- 39.12.1 In the event of an inconsistency or conflict between this Chapter and Federal or Territorial Laws of general application, this Agreement is paramount to the extent of the conflict.
