STATEMENT GRAND CHIEF GLADYS NORWEGIAN

Hello,

I would like to thank you all for allowing me to serve you this past term; it has been an amazing experience for me to lead the Dehcho First Nations.

I have accomplished many things in the last 3 years and I am grateful for the opportunity to work with the leadership and members of the Dehcho. I will always cherish the experience I have had with you and the knowledge I have gained.

I have come to learn that there are many complex changes facing the Dehcho. There is a real need for unity going forward; unity not in words, but in actions. We must come together honestly, and for the right reasons; we must all remind each other that our ultimate goal is setting the trails for our future generation, and for those that are to come.

I will not be running for Grand Chief again this year. It is crucial that we welcome this new Grand Chief, and move together with unity. My words to the upcoming Grand Chief are: *"I wish you every success in moving forward. You have a great team behind you, and experienced Dehcho membership at your side."*

Mahsi cho,

Gladys Norwegian
