History of the Investment Management Board

The Master Trust came into effect on August 21, 2006, after the Settlement Agreement was signed and processed with Canada and Dehcho First Nations. The amount received was \$15,000,000.00

- The Trustee is CIBC Trust Corporation (The Trustee)
- The Investment Management Board (The IMB) is a board established under the terms of the Trust.
- The Investment Advisor is CIBC Wood Gundy, The Wooding Group – Tom Wooding (The Investment Advisor.”

CIBC Trust Corporation of Canada (CIBC Trust) acts as a Corporate Trustee for the Trust. On March 27, 2012, a five year agreement was signed with CIBC Trust Corporation in accordance with the Trust Agreement.

The Trustee is responsible for ensuring that the Trust funds are received and invested as authorized under the Trust Agreement, and that all distributions of funds from the Trust Accounts are properly authorized and documented.

With the guidance of the Trust Officers, the Board makes decisions for the Trust following the rules of the Trust Agreement. This is in line with the Dehcho Process where Dehcho First Nations members determine their own future. There are checks and balances at every point when money is withdrawn or distributed to ensure accountability of the Trust monies.

Dehcho Investment Management Board's Values

The Dehcho Investment Management Board aims to support Dene values and enhance the principles in the declaration of rights of the Dehcho people. These values guide our behaviours and decision making as we make sound investments and work toward realising positive social outcomes.

SHARING

The Dene shared in the use of the land and the resources of the land. In particular, food. The work of maintaining the camp was shared, as was the responsibility for caring for children and protecting the safety and health of the family.

The IMB supports this value by managing the trust effectively and ensuring that revenue generated through trust investments is shared in a manner that benefits the Dehcho people today and for future generations.

CARING

Caring was shown for all members of the extended family. The widows, orphans, and elders are unable to provide for themselves were cared for by their community. Concern was shown for the safety and protection of oneself and others in the home.

The IMB supports this value by identifying and investing in opportunities that support elders, education, community development, and economic development

RESPECT

One showed respect for oneself and for others, for leaders and elders and those with special skills, and for the land and all living things.

The IMB supports this value by working with leadership, elders and the community at large to better understand the purpose and role of the Trust and ensuring that funds are dispersed fairly and in a transparent manner.

SELF-RESPECT & PRIDE

The IMB supports this value by promoting Dehcho First Nations economic independence by identifying and investing in economic opportunities.
