RE: Additional Indigenous Language Revitalization Funding 2021-22

This is to inform you that there is additional funding available under the Indigenous Language Revitalization Program for 2021-2022.

If any community/First Nation/organization is in need of extra funding to promote, preserve and revitalize Dene zhatie, please submit a proposal with a detailed budget. This includes moosehide tanning, cultural activities, resources in Dene zhatie, sewing classes, etc. The funding has to be spent by March 31, 2022.

Please contact me at the above numbers or email me at violet_jumbo@dehcho.org as soon as possible. Note that is funding will be granted as first-come first-serve basis.
