MEMORANDUM

16 January 2014

TO: Dehcho Chiefs, Presidents, Councils, Boards, Managers, Directors, Members

FR: DFN Executive Director

**RE: Dehcho First Nations Association
Proposed By Law Amendments**

The Dehcho First Nations currently has registered by laws which do not reflect the actual operations, structures and decision making of the Dehcho First Nations Tribal Council.

Proposed amendments to the DFN Association by laws were developed in 2009 but were never presented to the Annual Assembly for consideration. It is proposed by the DFN Executive Committee that the 2014 Annual Assembly will deal with the DFN Association by laws.

A document has been prepared to compare the currently registered by laws and the proposed amendments to the bylaws.

The proposed amended by laws are drafted to reflect the current DFN Tribal Council structures and operations which are not related to the Dehcho First Nations Government that is being negotiated in the Agreement in Principle.

Attached please find the currently registered by laws of the Dehcho First Nations Association and the proposed by law amendments that were developed in 2009.

Any comments, concerns, questions or feedback would be gratefully appreciated.

Attached please find the Dehcho First Nations Association by law comparison.
