Fort Liard Meeting Resolution Number 7, February 16, 1995

Whereas, the West Point First Nation need additional land for its membership and;

Whereas, there needs to be an orderly controlled development of the area of West Channel area;

Therefore Be It Resolved, that West Point and the affected communities begin a consultation process and;

Therefore Be It Resolved, that West Point and the two affected communities develop a land use plan;

And Further Be It Resolved, that appropriate resources be sought and accessed for the consultation and planning process.

Moved by: Chief Greg Nuyli

Seconded by: Chief Gabe Hardisty

Carried Unanimously
