RESOLUTION # 10

OIL & GAS

Whereas, the Deh Cho First Nations wishes to contract technical consultants to enhance the quality of information that is available to its membership regarding oil & gas development in the Deh Cho First Nations traditional territory,

And whereas, the Deh Cho First Nations desires that the areas of expertise needed should include traditional knowledge, environmental protection and geological expertise,

And whereas, the Department of Energy, Mines & Petroleum Resources has indicated a willingness to provide funding to the Deh Cho First Nations for such initiatives,

Therefore be it resolved, that administration be directed to prepare a draft workplan & financial proposal for approval by the Deh Cho Lands Working Group in order that it may be submitted to E.M.P.R. at the earliest possible date
