RESOLUTION 96 OCT-LA #01
Re. Deh Cho Health Working Group

WHEREAS it is the custom of Deh Cho people to take responsibility for their own well being and the Deh Cho Leadership has been directed to return to our people's traditional ways,

AND WHEREAS Deh Cho community governments have for some time wanted to set up health boards to take care of our own people's health,

AND WHEREAS Deh Cho community governments now have funding for local staff to work on health issues,

AND WHEREAS Deh Cho First Nations have been offered health funding through Territorial Health and Social Services program funding —

THEREFORE, by our inherent right to govern ourselves, the Deh Cho First Nations Leadership resolves to set up a Deh Cho Health Working Group consisting of local health staff to co-ordinate health issues throughout Deh Cho, and

AND THEREFORE, we further direct the DCFN office staff to acquire Territorial community health program funds to support the work of the Deh Cho Health Working Group, according to the individual needs and priorities of their representative communities
