

DCFN LEADERSHIP MTG RESOLUTION#006 09OCT97

RE: Jean Marie River Financial Assistance

Whereas the Jean Marie River First Nation had an audit done for the fiscal year 1996-97; and

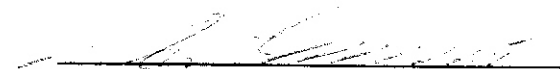

Whereas the Jean Marie River First Nation has been charged an enormous amount of costs to have an audit completed; namely the amount of \$ 10,000.00.

THEREFORE, the Deh Cho First Nations should lobby for funding to assist the Jean Marie River First Nation to offset the audit costs.
