RESOLUTION # 98-May28 #008

Whereas the Minister of Municipal and Community Affairs unilaterally withdrew the democratic right of Enterprise citizens to choose their own leaders; and

Whereas the leadership of the Deh Cho First Nations have received and heard the concerns of the Enterprise delegate on their current political situation; and

Whereas the citizens of Enterprise have been polled on this and the majority agree to request the support of the Deh Cho First Nations leaders in their interest to have elections, without conditions applied by MACA, for a settlement council immediately;

Therefore be it resolved that the DCFN leaders agree with the right of Enterprise citizens to elect their own leaders.
