Resolution 98-May 29 #12

Whereas the language of the Deh Cho First Nations is innate to culture and identity,

And Whereas the Royal Commission on Aboriginal Peoples Report and Canada's Aboriginal Action Plan identify various initiatives.

And Whereas there is a need to examine the state of our language and find ways to enhance and preserve our language,

Therefore be it Resolved that the Deh Cho First Nations seek funding from DIAND and its Aboriginal Action Plan and other agencies to carry out a Strategic Planning Workshop of our language in the Deh Cho.
