RESOLUTION 98-May 29, # 9

Whereas the NWT administration is decentralizing operations of Health and Social Services; and

Whereas they have initiated the establishment of a board to oversee the delivery of Health and Social Services; and

Whereas we acknowledge the need to improve delivery of services with policies developed by Deh Cho citizens; and

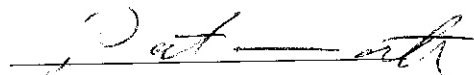

Whereas we have nominated members of our communities to sit on this board; and

Whereas we have the Deh Cho Process in place to ultimately govern all aspects of our territory;

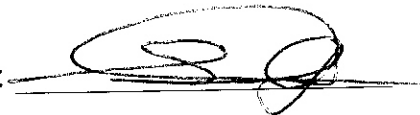

Therefore Be It Resolved that DCFN leadership hereby encourage our members on the Deh Cho Health and Social Services Board to work from that level to protect our interests; and

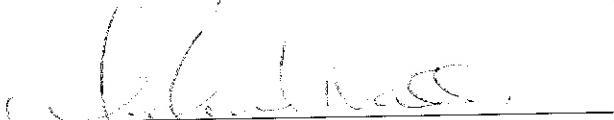

Be It Further Resolved that the DCFN leadership hereby affirm the need to continue implementing the Deh Cho Process, which when fully implemented will take over the delivery of government services including Health and Social Services
