RESOLUTION 99JAN11

RE: BOUNDARY ACTION

Whereas the Deh Cho & the Dogribs Treaty 11 Council have been negotiating a boundary line since January 1998; and

Whereas the Dogrib Treaty 11 Council will be finalizing an AIP with the federal government in February 1999; and

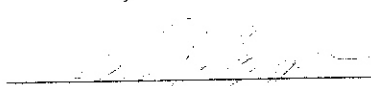

Whereas the Dogrib Treaty 11 Council Working Group have not attended a meeting with the Deh Cho Boundary Working Group since September 1998;

Therefore Be It Resolved that the Deh Cho Leadership do everything in its' authority to bring the Dogribs back to the boundary talks; and

Be It Further Resolved that if the Dogribs refuse, then DCFN must form alliances with neighboring First Nations to stop the finalization of the Dogrib claim before a boundary is negotiated with the Deh Cho; and

Be It Further Resolved that a court injunction be filed on behalf of the DCFN on the Dogrib claim if the Dogribs refuse to achieve an equitable boundary with DCFN.
