Resolution #01 April 30, 1999

RE: MEETING WITH MEMBERS LEGISLATIVE ASSEMBLY

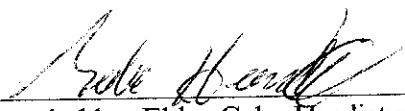

Whereas there is a need to resolve several issues of common concern to the Deh Cho and the government of the Northwest Territories; and

Whereas working with the Members of the Legislative Assembly on these issues may speed up the process for the Deh Cho to achieve its' goals;

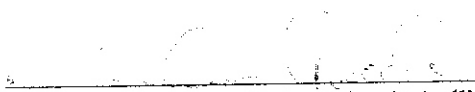

Therefore be it resolved that exploratory meetings be held between the leadership of the Deh Cho and the Members of the Legislative Assembly to identify common concerns and develop a process through which we can work together to resolve them and report to the 1999 annual general assembly.
