Resolution #02 April 30, 1999

**RE: MACA SCHOOL AND GOVERNANCE COMMITTEE**

Whereas we have heard presentations from the Government of the Northwest Territories department of Municipal and Community Affairs; and

Whereas they have requested our input and participation in two of their initiatives, namely their school for Capacity building and the inter-governmental governance committee;

Therefore be it resolved that the DCFN hereby agree to participate in these initiatives by appointing a representative to the governance committee after the information on time and work commitments to this process are identified and the leadership is informed; and

Be it further resolved that the above required informaton will be gathered by staff in consultation with MACA officials and made available to the leadership as soon as possible so that the leaders may identify and appoint someone to represent DCFN on the governance committee.
