

DEH CHO FIRST NATIONS

Spring Leadership Meeting
Ft. Liard, NT
May 15-19, 2000

RESOLUTION#09-05-00 RE: DCRMA

WHEREAS, it is the position of the Deh Cho First Nations that oil & gas exploration and other activities affecting Deh Cho lands cannot take place without “community support”; and

WHEREAS, there are situations where two or more communities may be affected by a proposed exploration or activity; and

WHEREAS, there is a need to clarify the processes for determining whether “community support” exists for an activity or exploration; and

WHEREAS, the Deh Cho First Nations wish to work together to ensure that development within our region benefits all of our communities and to ensure that our land is protected for future generations;

THEREFORE BE IT RESOLVED THAT:

1. A workshop will be held June 22-25 at the Hay River Reserve to discuss the processes for determining whether community support exists for proposed activities affecting Deh Cho lands and resources.
